VISION

To create an educational environment where knowledge, skills, rich morals and ethical values coalesce together to transform greenhorns into competent professionals, ready to take challenges and emerging needs of the society.

MISSION

- To provide quality academic programme in the field of Commerce, Information Technology and Management through dynamic professionalism.
- To provide learning opportunities beyond academics to help students adapt to the changing global needs.
- To develop faculty as friend, philosopher and guide who can collaborate with students and push them beyond their limits.
- To develop an educational infrastructure that provides sophisticated teaching aids and follows the best teaching practices.
- To promote rich moral and ethical values to help students become responsible citizens and caring human beings.
- To inculcate sense of commitment and social awareness amongst the students.

APPROACH

- To promote conceptual and theoretical understanding of the respective subjects.
- To demonstrate the acquired theoretical knowledge through regular practicals under close observation of teachers.
- To encourage students to understand the needs and the application of the acquired theoretical and practical knowledge in the industry.
- To provide opportunity to work on projects to develop their application skills.
- To promote basic human and social values of human equality and fellow citizenship for strengthening social harmony.

Late M D Gandhe Memorial Education Society's
CITY PREMIER COLLEGE, NAGPUR

Principal's Desk

Dear Students,

Education is the bedrock for economic development, social progress and political democracy in developing India. Education will continue to remain as a driving force for the country's economy. Doors of opportunities are unending through higher education to a country like ours. It has triggered the creation of a knowledge society. Quality in higher education is a pre-requisite for sustaining a knowledge society. The Institution strives to not only educate the students but also to transform them to shine in their life and to pass on that light to others, by enkindling in them passion for learning & to improve the quality of life especially for – the least, the lost and the marginalized of our Society. A wide variety of activities are devised and implemented to help students advance towards the objectives of the Institution.

We offer a range of higher education courses that are business related and abreast with the changing business paradigm. All our courses are affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. We extract pride upon our individual approaches and can help you select the qualifications that suits to the academic and professional taste of yours.

This message is an attempt to compile all the efforts and hard work of staff and students who have strived to practice the vision and mission of the college in the best way possible. Rated as the one of the best colleges in Central India for the students, who think and strive to reach greater heights in the true spirit.

We are delighted to welcome students not only from across Nagpur, but all over India. Our flexible approach symbolizes that we are always looking to improve in what we offer to you. So for the most updated information on our courses, our academic policies, and our quality assurance systems, kindly visit our website. We would be delighted to welcome you in our College.

Late M D Gandhe Memorial Education Society's
CITY PREMIER COLLEGE, NAGPUR

Vice Principal

Dear Students,

Welcome to City Premier College, Nagpur.

“Vidya Dhanam Sarva Dhana Pradhanam” – “Education is the best wealth among all the wealth” is the value enriched and endeavored by City Premier College. Our Institution aims at holistic education by developing and fostering students' skills not only to become successful individuals but responsible citizens and sentient human beings. We nurture the students to identify and enhance their intelligence, emotional, social and spiritual quotient.

Our distinctive academic programmes and innovative teaching methodologies encourage students to develop critical-thinking and learn through enquiry and reason, to exchange thoughts and ideas, to develop key personal and social values, to take ownership for his/ her choices and to set goals to realize their own unique potential.

The Institute over the years has earned repute in providing quality education with state-of-art infrastructure and disciplinary environment. Academic brilliance comes from dedicated efforts of our Teaching Faculty who not only develop newer curricular and extra-curricular modules appropriate to the present generation but also provide constant mentoring. Fascinating and beautiful ambience of the college premises stimulates students to enjoy their sojourn of quest for knowledge from the Institution.

Apart from the regular pedagogical teaching, we employ philosophy of dynamism in imparting education to stay at par in the digitized world.

Our endeavours in imparting quality assurance practices in teaching learning process has been authenticated through NAAC accreditation with B++ grading in the first cycle. College aims to achieve education par excellence through quality procedures.

Dr. Deepali R.Naidu
Coordinator IQAC
Vice Principal
